## EXAM POST-MORTEM

CFA Society Perth is trialling a new initiative this year: a CFA Exam Post-Mortem. This will provide CFA candidates who were not successful in passing the June exam the opportunity to meet with a Perth CFA charterholder to review their exam results and study program. The CFA charterholder will provide guidance on successful study strategies and encouragement to continue studies and sit the exam again. We are seeking volunteers to participate in this initiative, particularly our recent charterholders and charter pending members.
